Re: Project at Kondaur Capital – Server Room System

Mr. Kunowski:

This correspondence expresses our great satisfaction with the quality of work performed by Facilities Protection Systems, as subcontractor to DLS Builders for the “server room” project at Kondaur Capital in Orange, CA. Specifically, the installation of the Fike PROINERT inert gas fire suppression system. The work was complete and professional, and we would gladly work with your company again should the opportunity arise.

Thank you.

Respectfully,

A handwritten signature in black ink, appearing to read 'Jay Lindsey', with several loops and flourishes.
